From our Desk to You!

Dear Friends:

Well, another year has passed and we are once again at the start of another New Year. We want to first tell you from the whole staff of the World for Jesus Ministries, that we appreciate you and are very thankful that the Lord has in His Church a people who want to hear the higher truths and even at times, dreadful warnings that His Spirit gives. We are deeply thankful for you as this ministry was created to reach people just like you.

Please continue to keep us in your prayers and walk with us trusting in God for the wonderful and yes, even severe days, that are ahead. Revival has begun in its meager infancy. However, it is about to explode upon us. We have all been waiting for it, believing for it and hungering after the face of God that is revealed in such a time. We do not have to wait much longer. Many years ago the Lord spoke to me. He explained to me that we must fast, pray, and weep over America, filling the land with tears. When we have wept enough, He would send revival. He said: Revival is what heals the land! Many have wept and patiently waited for the Lord to say: Enough, I will now give a major outpouring of My Spirit in revival. We have been patient and God is about to reward us. Thank-you for praying! In the meantime, captives have been and continue to be liberated as the intercessors weep over the Nation's sins. I often refer to the remarkable things the Lord has done in response to our prayers. Consequently, I will not go into it again in this newsletter. Suffice it to say, God has proven Himself a Man of honor many times in recent years. He does not forget the wrong done to peoples and people groups. However, He is just and faithful to forgive and help us to make right the wrong, when we repent.

The Bible

We are in the process of preparing a new Bible for those of you who want a good Study Bible. It will be in modern English for easy reading and memorization. However, it will keep very close to the King James Version, as it is the best biblical manuscript. While it will parallel closely to the KJV, it will contain amplification in areas where it is needed to best portray the original language. Further, I have had many visitations from the Lord wherein He has taught me about vital passages and their higher or sometimes truer meaning. While most of the present day Bibles are pretty accurate, there are details that really need a truer understanding for the student to fully comprehend what the Holy Spirit meant when He moved on godly men to write the Bible. I will offer commentary on such passages. For instance, the Bible says that: Enoch walked with God and he was not; for God took him. Genesis 5:24 But, do you know what that passage means? Do you understand how Enoch walked with God? His relationship was otherworldly, yet incredibly practical. I will share in the Bible commentary what it means to walk with God the way Enoch did. We are creating this Study Bible for the purpose of making many students of the Word more proficient in the prophetic and apostolic understanding of God's Word. Also, we are going to begin a Training Center

soon, therefore we want a Bible for use in it. Finally, we want to give the Church a Study Bible it can own absolutely free of charge. We have brought Dr. and Mrs. Chuck Metteer on board for this very purpose. We will work closely together to move this project along as quickly as possible, for it will probably take a couple years to finalize it for your benefit. Please keep it in prayer and please prayerfully support this effort as it will bear enormous cost to complete.

Nigeria

We have a ministry base in Nigeria Africa. I received a letter today telling me that we have seen a great harvest of souls due to the outreach of our Pastor Ray. He began a school of prayer in Abuja the capital of Nigeria two years ago, and will begin 3 more schools this year. Please keep this outreach in prayer with us. Pray for his safety and that God will provide us with good and godly workers in the field. Also, please pray for his continued spiritual growth. Ray is a dynamic and holy man of God, a prophet who loves the Lord with all his heart. We hope he will be with us in the Washington GOE. Please pray that his visa will go through.

Gathering

Prayerfully consider joining us in Washington DC. We are going to have a wonderful time as we pray in respect to the Lord's plans and purposes for our Nation. The Lord will help us in a magnanimous way. Recently we have been repenting of the human trafficking issue world wide, but most especially in America. My, oh my, what we have learned from the Lord, and confirmed by the many sources available on the subject, has been terrible in its import. Since we began to intercede over this issue over a year and a half ago, the Lord has enabled men to break through and bring to an end many key trafficking rings. We are so thankful to see children found and freed. While Jesus has done so much, it doesn't equal what He is about to do in this arena. Praise His wonderful name. Come if you can, if not pray with us at home. The dates are: April 21st. through the 24th, 2008.

Books

Our new books, "Melchizedek" and "Where Was God?", as well as the books needing to be reprinted, will all go to the printer the end of January. Therefore, we should have them available in March for those who are waiting for your copies.

The book "Melchizedek Priesthood" is an extensive teaching on what God is about to do in the world wide Church and the secular world. Dreaded Champions, is the name Bob Jones gave these powerful people who are about to come forth upon the landscape of time. This priesthood will spearhead all that God is about to release into the world. They will change the face of Christianity like the Reformation of old once did as they move in the power of a new Reformation. You will want to know what is going to happen.

"Where Was God?" is a book telling God's perspective of the international holocaust of the 30s and 40s. I have included the testimony of four holocaust survivors all of which are incredibly powerful. A must read if you love Israel.

We have had many irons in the fire so to speak awaiting the glory of God. Although Jesus has asked us to do many things, it seems He will not allow us to move forward in several of these endeavors until we finish this important task of preparing America for His glory. Therefore, I expect next year is going to turn out a very critical year for the ministry as well as the Nation and Church.

This Issue

The articles in this issue include a transcript of a teaching I did on growing close to God, entitled: "Journey to the Revelation of God." Also, I have written an article on the Mighty Men of Valor entitled, "The New Reformation", for your edification. Included is a follow up on an article printed in our last newsletter on giving, entitled "The Joy of Giving". Dr. Metteer has written "Seek and Ye Shall Find", an article on discerning God's presence in everyday life. Ricci has written "DC Gathering of the Eagles, 2008", a summary

of the eight-year journey of the GOE's. I trust you will enjoy this edition and that it will build your faith in God.

In His Love,
